SOME GOOD ADVICE

Strengthened by Clovis Experiences.

Kidney disease is too dangerous to neglect. At the first sign of backache, headache, dizziness or urinary disorders you should give the weakened kidneys prompt attention. Eat little meat, take things easier and use a reliable kidney tonic. There's no other kidney medicine so well recommended as Doan's Kidney Pills. Clovis people rely on them. Here's one of the many statements from Clovis people.

Mrs. Arthur Andrews, 510 N. Gidding St., says: "My advice to anyone suffering from disordered kidneys is to try Doan's Kidney Pills for they certainly are fine. Several years ago I took them for weakness in my back and other symptoms of kidney complaint. They certainly did what was claimed for them and soon removed the annoyance. Doan's Kidney Pills are fine and I can conscientiously endorse them."

IT COSTS MORE TO LIVE—
BUT IT'S WORTH IT

An exchange contains the following article, credited to "Baudette Re-Gion":

Eggs are \$1 a dozen in Baudette. It was different in the old days, wasn't it?

You could buy a couple of laying hens for your dollar then.

For \$10 you could buy half a cow, and the butcher would throw in his tools and apron.

Them was the good old days, wuzn't they? Yes—they weren't.

Those were the days when a dollar was worth a lot and a man was worth very little.

If your appendix went on a strike the doctor called it inflammation of the bowels and they buried you.

If your lungs were weak they started to pick out a location in a marble orchard for you.

And if you were unfortunate enough to be host to a few million typhoid germs they called the doctor. But he wouldn't give you any water and you were wafted to the realm of bliss.

With your tongue hanging out. And women wore long skirts that dragged along the walks and collected germs and made the wearer resemble an upright piano.

And if she wore a shorter skirt, which came within a few inches of the ground, and which showed her ankles, and which hinted that she was equipped with legs like other humans, she was a heathen.

If you craved amusements, you got it at the "Young Men's Wednesday Night Club."

When some old skinflint would talk you dizzy for two hours on "How to be a Successful Man."

You got \$1.10 a day, and was expected to bring up a family of ten children on it.

Those were the "good old days" we hear so much about. You would not think of having them back, and you know it.

It costs more to live now—but it's worth it!

So quit your grumbling.

SAYS SHE THREW
HER MONEY AWAY

MRS. PARKER SPENT HUNDREDS
SEEKING HEALTH—TALLAC
RESTORES HER.

"My troubles have been completely overcome since I began taking Tanlac and I am enjoying the best health I have had in twenty years," said Mrs. M. Parker, of 423 East Third St., Los Angeles, Cal.

I spent several thousand dollars for medicines and treatments," she continued, "but it was just money thrown away, for I never got any relief from my suffering until I commenced taking Tanlac. I was practically an invalid for twenty years and all my trouble was caused by the awful condition of my stomach. A great part of the time I was confined to my bed, simply too weak to be up. I could eat but very little, and that disagreed with me so I suffered terribly from gas. To make matters worse I was attacked by rheumatism in my arms and legs, which caused me no end of pain and misery. I never got a good night's sleep and became extremely nervous.

"Well, I have just finished my fourth bottle of Tanlac and it is wonderful the way I have improved. Why, I feel so well and strong I do all my housework without the least trouble. Last week I actually did the family washing and it has been many years since I did a thing like that. My appetite is fine and nothing disagrees with me. I sleep restfully and get up feeling refreshed every morning. The rheumatism has entirely disappeared and Tanlac deserves every bit of the credit."

Tanlac is sold in Clovis by Mears Pharmacy, in Texico by Red Cross Pharmacy, and in Melrose by Irwin & Pool. (Advertisement.)
